Re: "Prim Lady"

Good Afternoon,

I spoke w/ Kevin McLaughlin this afternoon. He has an appointment w/ Mr. Galgana at approx. noon on 3/28/06 for the purpose of inspecting the damages to the "Prim Lady". He stated that he expects to finish his inspection on 3/28/06.

I will check-in w/ Mr. McLaughlin on 3/29/06 for a status report & to answer any questions he might have.
